Our School Aims are:

Believe:

- To provide an environment where the children become aware that “Eternal life is this – to know you, the only true God, and Jesus Christ whom you sent.” (John 17:3).
- To ensure that they are involved in the loving, caring ethos of the message of Christ, “Love one another as I love you.” (John 13:34)
- To develop every child’s confidence, self-respect and an awareness of self as a valued member of society and celebrate the diversity in the school community

Succeed:

- To provide a stimulating educational environment conducive to the intellectual, physical, emotional, spiritual and moral development of every child.
- To develop the learning of practical skills and work towards ensuring the personal fulfilment of every child.
- To provide opportunities to enable children to celebrate and share their achievements

Achieve:

- To set standards of behaviour, effort and attainment by which, with the support and guidance of staff, the children can measure their own achievements and progress.
- To promote equality and help all pupils to acquire the skills of literacy and numeracy appropriate to their individual stages of development.
- To help pupils to develop an understanding of themselves and other people, of their relationships in personal, social, national and international spheres.

Equality Statement Objectives:

- Plan opportunities within the curriculum for pupils to learn about the diversity of cultures.
- Provide appropriate support and resources to individual pupils who may experience barriers to learning.
- Promote and encourage a school ethos that has respect for others at the core.
- Promote equal participation in trips and clubs across ethnic and social groups.
- Minimise attainment gaps between different groupings, particularly at the end of each Key Stage.

St. Alban’s Catholic Primary School is committed to safeguarding and promoting the welfare of children and expects all staff to share this commitment.

Working Together to Safeguard Children (2013): Statutory guidance from the Department for Education which sets out what is expected of organisations and individuals to safeguard and promote the welfare of children

The aims of Religious Education in the Catholic Church

1. To present engagingly a comprehensive content which is the basis of knowledge and understanding of the Catholic faith;
2. To enable pupils continually to deepen their religious and theological understanding and be able to communicate this effectively;
3. To present an authentic vision of the Church's moral and social teaching so that pupils can make a critique of the underlying trends in contemporary culture and society;
4. To raise pupils' awareness of the faith and traditions of other religious communities in order to respect and understand them;
5. To develop the critical faculties of pupils so that they can relate their Catholic faith to daily life;
6. To stimulate pupils' imagination and provoke a desire for personal meaning as revealed in the truth of the Catholic faith;
7. To enable pupils to relate the knowledge gained through Religious Education to their understanding of other subjects in the curriculum;
8. To bring clarity to the relationship between faith and life, and between faith and culture.

RE Entitlements

The RE entitlements for each child at St. Alban's Catholic Primary School are stated in the school's entitlements document.

RE Curriculum

The National Curriculum programme of study has been adapted by the Local Authority and an agreed syllabus has been documented for all schools to follow.

As a Catholic school, the teaching of RE at St. Alban's also includes the curriculum content recommended by 'The Religious Education Curriculum Directory (3-19) for Catholic Schools and Colleges in England and Wales'. The diocese has created a Primary RE Plan including resources and units of work that covers all areas of the National Curriculum and RE Curriculum Directory. St. Alban's follows the diocese Primary RE Plan which includes liturgical themes for assemblies throughout the year.

Collective Worship

At St. Alban's Catholic Primary School we understand that collective worship is a valuable part of each child's faith and educational teaching. It is through these opportunities that children can learn about scripture, reflect on their own and other's lives and practices and celebrate and worship as a valued member of a community.

Children at St. Alban's are part of daily assemblies which are integral to the school day. The assemblies follow a structure of themes that are often linked to the liturgical calendar. These themes are taken from the Diocese of East Anglia's Primary RE Plan.

Collective worship also includes the additional celebration of Mass. The whole school observes holy days of obligation noted in the church's calendar and celebrates noteworthy events in the school calendar e.g. the start and end of term and Advent and Lent.

Sacramental Preparation

St. Alban's Catholic Primary School offers its pupils the option of following a scheme of work aimed specifically at teaching the required knowledge and preparation for two important sacraments in the Catholic faith. In Year 3 children can participate in the preparation for First Confession (the sacrament of Reconciliation) and First Holy Communion (the sacrament of the Eucharist).

Other Faiths

St. Alban's Catholic Primary School believes that it is important for all children to be educated about other faiths and religions to help inform them and allow them to reflect on their own beliefs and practices. Children are encouraged to compare their beliefs with others and recognise the main teachings and practices that are valued by people of their own faith as well as other faiths.

Our school follows the recommendations of the Local Authority's syllabus including the guidelines planned by the diocese of East Anglia. The school plans for children to learn about another faith each term. The long term plan has a two year cycle to allow the school to focus as a whole on three different faiths each year. These include; Judaism, Islam, Hinduism, Sikhism and Buddhism.

Differentiation

It is important that all children at St. Alban's Catholic School is inclusive to all and pupils are able to access the teachings of the Christian faith no matter what their culture or ability is. All RE lessons are planned by class teachers including differentiated content, resources and expectations to suit the needs of individual learners. Differentiation is highlighted in class medium term plans.

Assessment is used to monitor and adapt lessons to allow for continually high expectations of learning in lessons.

Assessment and Monitoring

Staff should make continual assessments throughout lessons which they use to reflect upon their teaching and the children's learning. This formative assessment allows teacher's to build upon children's subject knowledge and understanding continually throughout the year.

Teachers are also expected to make more formal judgements against the Attainment Targets and Levels as described in the 'Religious Education Curriculum Directory (3-19) for Catholic Schools and Colleges in England and Wales'. This summative assessment allows staff to monitor the overall progress that the children are making as they move through the school and continue their religious journey in the catholic faith.

Roles and Responsibilities

RE Coordinator – Manage themes and coverage of curriculum throughout each year in lessons and assemblies. Monitor planning, delivery and assessment in each class.

The RE coordinator, Head Teacher and Deputy Head Teacher regularly attend training facilitated by the Diocese of East Anglia.
