

St Alban's Newsletter

16th September, 25th Sunday of Ordinary Time

Wednesday word—TRUSTWORTHY

21st September— St Matthew, Apostle

Office post

A reminder that we are looking for a full time position in the office. Training will be provided and is ideal for someone wanting to return to work or to have hours around their child's schooling. Please contact the school if you are interested. More information on [school website](#).

Change of dates

Please note that the Year 5 and Year 6 SATS meetings have been swapped. It is very important that all Year 5 and Year 6 parents do their best to attend one of the workshops on offer.

Coffee Mornings

We look forward to seeing parents at the Coffee Mornings next week where you will hear all about the expectations of your class teacher. Also it will be an informal opportunity to ask some questions and meet other parents. Often parents have the same concerns, so it will be good to address them at the same time.

Year 6 Parents

It is very important that a parent attends the meeting on either the 19th or 21st at 2.30pm to have their Supplementary Form for secondary school witnessed. If you are unable to attend please contact the school .

Trainee teachers

For this term we welcome Ruth Slattery to the staff as she completes her final teaching placement . Ruth is well known to the school as she is the daughter of Sarah Slattery, our wonderful teaching Assistant. Ruth will be in Year 1.

We also look forward to a couple of American trainee teachers. We have established links with the George Mason University. We look forward to welcoming them on Thursday 22nd September. Caroline Strong will be based in Year 3 and T'Keyah Hawkins will be based in Year 5

Midday Supervisors

We need some more help in the playground, especially on a Thursday and Friday. If you or a family member has some spare time please consider coming in to help. This job is open to anyone who loves being around children and has the care and patience to make a child's life happy. Ideal for grandparents!

Clubs

Most clubs will have started by next week.

Homework club has changed and it will no longer be open to those who want to come. We have changed the format this year and it will only be offered to children we feel need the extra support. This will begin on Monday 26th September.

Music school begins on Tuesday 20th September. We are delighted to offer this again however we were very close to closing earlier this year. We need more children to attend to make it a viable proposition. Unless there is an increase in numbers then we may not be able to continue next year. It is a great way to play and read music for a relatively small price. If you do want your child to attend contact Cambridge Music, in some cases the school maybe able to subsidise the tuition fees. See attached flyer. Also you will note that classes are 3.30 to 5.00 and therefore should help parents more.

We are looking forward to continuing our Latin Course. This is open to children in KS2. It is run by students from the Faculty of Classics and Archaeology, If your child is interested then please let the school know asap. This club will not start until after half term once the students have started their course.

City Deal

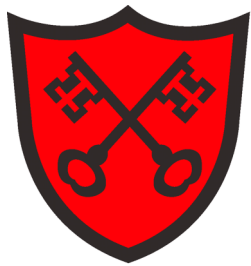

Please see attached/[linked](#) information about how we can make our city a better and safer place to travel. As many of our children travel to school by car and bike this should be a very useful initiative.

Bear Grylls Survival Race

Henry Yr4 completed the Bear Grylls survival race with his dad and two other boys, and came in 247 out of 905. They raised £400 for the PFA but if anyone would like to make a further donation to the PFA they can still do so. See [the link](#) to the photo. Well done dad and Boys!

Reunion

Did you attend St Bede's during the 60's, 70's early 80's when George Kent was headmaster?

On the 10th Anniversary of his death, his family thought a reunion would be a fitting celebration of an amazing man and fantastic headmaster, so we've booked St Bede's School Hall on Saturday 15th October 2016 from 2 – 4pm. His son Stuart was a pupil during the 60's and daughter Rosie during the 70's and we would both love to catch up with chums we were at school with as well as other pupils attending St Bede's during the time.

If you would like to come and use Facebook here is the link to where you can sign up: <https://www.facebook.com/groups/226029047778338/>

Achievements

For those parents who are new to us we like to celebrate all the achievements out of school each month. This could be from joining the cubs/brownies to winning medals. Please send them to Mr McCrossan at Head@stalbans.cambs.sch.uk As we had a beautiful summer and a long break hopefully there will be a lot to celebrate.

Please keep in your prayers those members of our school community who have recently lost a loved one, including Mrs Overend and her family.

Homework
