Welcome Back

Hopefully everybody had a relaxing and enjoyable time during the holidays. It is such a pleasure to see so many happy faces returning to school and to see the children also looking pleased to be back.

All the staff would like to say a very big thank you for the generous gifts and wishes at the end of the year. They were gratefully received. Thank you.

New staff

Welcome to Miss Brett who will be in Year 4. Miss Brett taught in Nottingham for one year and we are delighted she is joining us. I am sure all the Year 4 parents will make her feel very welcome.

Please keep in your prayers

As we welcome the new reception children we ask you to pray for them and their families as they start this very important chapter in their life. We also would like to pray for all the Year 6 children and their families as they move on to secondary school. Finally there were a number of families associated with the school for a long time who said goodbye to us at the end of term and we would like to thank them for all the support throughout the years.

Extension

KS1 parents will have noticed the replacement of the old conservatory with a more permanent extension. We are delighted with this and look forward to offering an additional learning space for the staff and children. Our thanks to Silver Heron who did this work in such a short time and finished before the children returned.

Car Park

You may have noticed the church has made it very clear to its parishioners that there should be no parking down the middle of the car park. This has been very successful and we hope our parents will adhere to the instructions. The rectory car park is not to be used by our parents when collecting your children from school. Thank you.

Dates

There are a number of dates for you attached ([Click here for website link](#)). Please put them in your diary.

We would like to bring your attention to the masses which will now be in the church and all parents are welcome to join their year group.

The Coffee Mornings are an opportunity for parents to meet the teacher and hear about the expectations the teacher has in the class and an opportunity for parents to ask questions about the coming year. These are very important meetings.

Also there are additional meetings for Year 1,2,5 and 6 parents early on in the year which we strongly advise you to attend. It is very important that all parents attend their class meeting because the meeting will be about the assessments your children will be doing and how we are improving the teaching and learning.
