AIMS

At St. Albans' Catholic Primary School we follow the principles outlined in the DCSF toolkit

<http://www.communitycohesionncc.org.uk/docs/280.pdf> which seeks to:

- **Raise awareness** within school of the threat from violent extremist groups and the risks for young people.
- Provide **information** about what can cause violent extremism, about preventative actions taking place locally and nationally and where we can get additional information and advice.
- Help schools understand the **positive contribution** they can make to empower young people to create communities that are more resilient to extremism and **protecting the wellbeing** of particular pupils or groups who may be vulnerable to being drawn into violent extremist activity.
- Provide advice on **managing risks** and responding to incidents locally, nationally or internationally that might have an impact on the school community.

St. Albans' Catholic Primary School will use these principles to guide our work in all areas including building on our work in:

- Promoting good outcomes for all pupils including their spiritual, moral, social and cultural development
- Promoting pupil happiness, wellbeing, sense of security, equalities and community cohesion
- Building the resilience of the school, working with partners, to prevent pupils becoming the victims or causes of harm
- Working with other agencies including the education child protection service, social care, the police, parents, and community and religious leaders to build community links and enhance positive networks

STRATEGIES FOR PREVENTING EXTREMISM

Through the St. Alban's written and unwritten curriculum the school promotes community cohesion, as well as British Values.

<http://www.communitycohesionncc.org.uk/docs/280.pdf>

According to Ofsted, 'fundamental British values' are:

- democracy
- the rule of law
- individual liberty and mutual respect
- tolerance of those with different faiths and beliefs.

This strategy is based on four areas of work:

- **Pursue** ~ To stop terrorist attacks
- **Prevent** ~ To stop people becoming terrorists or supporting terrorism
- **Protect** ~ To strengthen our protection against a terrorist attack
- **Prepare** ~ To mitigate the impact of a terrorist attack

TRAINING

Rachel Swindell is the designated personnel for PREVENT and undertook training on 07/11/2015. School staff have been briefed on the PREVENT Duty as have the Governing Body and a copy of this policy is displayed on the school website.

RISK ASSESSING

St. Alban's Catholic Primary School is committed to safeguarding, is compliant with its duties including prevent, positively promotes the well-being of all its pupils and expects all staff and volunteers to share in this commitment.

St. Alban's Catholic Primary School is a happy school with an open door policy and excellent methods of communication. The School is proud of its multi-lingual and multicultural school community and has good relations with parents and the community. The school risk assesses for a number of purposes including staff recruitment and would be as vigilant as possible to any pupil at risk to grooming or extremism.

USE OF ONLINE TECHNOLOGY AND SOCIAL MEDIA

St. Alban's Catholic Primary School is aware of the risk of use of social media for online radicalisation. https://www.gov.uk/government/uploads/system/uploads/attachment_data/file/440450/How_social_media_is_used_to_encourage_travel_to_Syria_and_Iraq.pdf

St. Alban's Catholic Primary School promotes a positive and protective school ethos. The Head Teacher and Deputy Head Teacher are designated personnel for Child Protection and Safeguarding. All staff receive Child Protection training.

The school has Acceptable Use of IT Policy and during the school day restricts access to external sites that may be unsafe or unsuitable. The school uses STARZ to enable pupils to interact with each other using a safe moderated platform. Every year pupils receive an update on how to keep themselves safe on line (during Anti-Bullying Week in November and/or during Internet Safety Week in February). Pupils are reminded of the importance of speaking to a trusted adult either in school or at home if they feel vulnerable or unsafe. This would include any concerns they have about images, messages or contacts online. Pupils are also taught to speak to the school's Computing Leader (Sarah Rackham) or to use the CEOPS button if they feel they are at risk.

The school recognises that parents will want to record events and moments of their child's life at school. However, any photograph of a child must not be made public on any social media sites. The photographs must remain personal to the parent. Any photograph or comment about a child or a member of staff found on any site other than the school website will be asked to be removed by the school office and a meeting will be arranged with the headteacher to discuss the intentions of sharing photographs of children or staff. It is important that all; parents, children staff and governors understand the vulnerability of sharing images in unsecured settings.

PARTNERSHIPS

St. Alban's Catholic Primary School recognises that any attempt to counter extremism and prevent radicalisation cannot be achieved by one organisation alone but relies on the sharing of information and productive partnership working. In upholding the Prevent duty, St. Alban's works with a number of partners, including;

- The Education Child Protection Service
- The Police and PCSOs
- The Locality Team
- Social Care
- Community and religious leaders
- Parents and the wider community
- Other Educational Organizations

BUILDING RESILIENCE

"Schools can build pupils' resilience to radicalisation by providing a safe environment for debating controversial issues and helping them to understand how they can influence and participate in decision-making."

https://www.gov.uk/government/uploads/system/uploads/attachment_data/file/439598/prevent-duty-departmental-advice-v6.pdf

St. Alban's Catholic Primary School develops pupils' resilience in a number of different ways across the curriculum including through the PSHE programme of study, whole School and class assemblies,

educational visits, drama workshops, debating, philosophy, and citizenship activities such as the school council.

RAISING A CONCERN

If a member of the school community, a child, a member of staff or a member of the school community raises a concern that relates to the PREVENT Duty (e.g. a child at risk of radicalisation, or exhibiting extremism), the school will take this matter seriously and will follow Child Protection procedures.

Cambridgeshire Schools do not need to create a new document to log a PREVENT concern; they can use a referral to Cambridgeshire and Peterborough Children's Service.

5. Escalation to Channel

Whilst St. Alban's Catholic Primary School is fully compliant in the PREVENT duty, and recognises the important role it has to play in this respect, the school will be thoughtful and proportionate in its response to ensure that no individual or group feels needlessly disenfranchised or unfairly discriminated.

St. Alban's vision statement to "Believe, Achieve and Succeed" helps to promote a positive and inclusive school culture, where every child and adult feels safe, happy and valued as an individual.
